Letter NO A1-C834/42-43 Dy ml from the Chairman C & T Board, Mysore, requesting sanction to incur an expenditure of Rs 505 P M as against Rs 300 already sanctioned for the employment of an Estt for the preparation of a resume of works carried out in the Trust Board during the last 40 years. Submitted with a draft for approval

WMB 19/9 JM 20/9

When there is going to be a whole time Sub Engineer on Rs 150+50 D.A, there does not appear to be any necessity for a Manager on Rs 100/- The Sub Engineer should be able to collect the data with the assistance of the Technical staff and put it together What is wanted is a Steno typist on pay of Rs 40-2-60 or Rs 50/- p.m. to type the matter quickly There is, however, no provision for this post in the proposed Establishment It is not known how this work would be attended to in the absence of a typist May an enquiry be made on the above points?

Sir,

Adverting to Government Order No L 10065-6/11 139-42-6 dated 10th April 1943 conveying sanction for the employment of an establishment costing Rs 360/- per mensem for the preparation of a resume of works carried out in the Trust Board during the last 40 years, I have the honour to state that in pursuance of the above, two retired Engineering Officers with experience of Trust Board Works Messrs B Tiruralachar and Y Ramaswamy were successively approached with a request to undertake the work under the terms and conditions specified in the Government Order quoted above But both the Officers have declined the offer on account of the insufficiency of the honorarium fixed and the shortness of the time allowed for the completion of the work The replies received from these officers were considered by the Trustees at their Meeting held on 25th August 1943 and a copy of the Resolution passed by them at the Meeting is herewith enclosed for information

2 The proposals of the Trust Board as now modified involve an extra expenditure of Rs 145/- per mensem over and above the original provision of Rs 360/- per mensem as detailed in the margin In view of the fact that these two Officers who had experience of Trust Board Works have declined the offer and as there are no other retired Engineering Officers with the necessary experience, available to take up the work I request that sanction of Government may kindly be obtained for the above modified proposals of the Board in order that the work may be taken up and completed at an early date

1) Allowance to Trust Board Engineer		Rs 40/-
2) Sub Engineer	1	150+50 D A
3) Manager	1	100
4) Surveyor	1	50+ 5 C A
5) One retired Suboverseer who is conversant with Trust Board Works	1	40
6) One Assistant Draftsman	1	35+10
7) One Temporary Maistry	1	15
8) One Attender	1	10
Total		Rs 505
Total for six months		"3,030

53 Consideration of replies received from Messrs B Thirumalachar and Y Ramaswamy retired Executive Engineers re the preparation of Resume of Works done in the Trust Board for the last 40 years

The replies were perused The Superintending Engineer considers that instead of appointing a Retired Officer, especially as these two Officers that are experienced in the working of the Trust Board have declined the offer, one Sub Engineer may be appointed on Rs 150/- plus an allowance of Rs 50/- to work under the Trust Board Engineer who may also be given an allowance of Rs 40/- p m and that an additional Surveyor and the other establishment as already proposed ~~may be approved~~ may be appointed and entrusted with this work

The proposals of the Superintending Engineer which involve an extra cost of Rs 145/- per month were approved and it was decided that this be recommended to Government

To Nalayanaswamy Naidu, Esq , B A , B L ,
Secretary to the Government of His Highness the
Maharaja of Mysore, Law Department, Bangalore

Sir,

With reference to your letter No I 3663/M 169-43-2 dated 24th September 1943 re the modified proposals submitted by the Board for the preperation of the resume of works carried out in the Trust Board for the last 40 years, I have the honour to state that in view of the altered circumstances, the services of a whole time Manager on Rs 100/- may not be quite necessary but at the same time it is quite essential that the Sub-Engineer to be employed on the work should have competent clerical assistance for compiling the various statements of works done and acquisitions carried out over a period of 40 years and to draft a comprehensive report of the activities of the Board over this long period and I therefore recommend that the present Manager of the Trust Board Office may be given a duty allowance of Rs 20/- per month for assisting the Sub Engineer in the preperation of the report and that a whole time clerk on Rs 30/- may also be employed for compiling the figures, attending to the correspondence and otherwise helping the Manager in the work A Stenotypist on Rs 40/- may also be appointed to get through the typing work quickly

2 With these further modifications the establishment to be finally sanctioned will be as noted in the margin and will result in a savings of Rs 60/ on the whole

1) Allowance to Trust Board Engineer			40/-
2) Sub Engineer	1		150/-
		plus D A	50/-
3) Allowance to the Trust Board Manager			20/-
